

Summer 2016 Digital Book Review Challenge

Share your thoughts with the entire school!

Use technology to showcase a great book that you read this summer. Be sure to include the title, author, a summary, and your rating (1 to 5 stars). Have fun and be creative!

Project Due Date: Mid-September 2016

Open to Students in All Grades

Create a comic strip to summarize what you read with something like **Comic Life**.

PuppetPals can bring you and your characters to life!

Use **Explain Everything** to convince another student to read the book.

Use **Popplet** to show the story elements of your book (Character, Setting, Plot...).

Create a movie trailer for your book using...

iMovie or
Windows Movie Maker

** The digital review you create will be added as a QR code to our copy of the book in the Library!*
